To facilitate the construction of the Tuen Mun South Extension project, **starting from 23 October 2024**, a section of temporary covered walkway adjacent to Wu King Road Garden works site (near YCH Law Chan Chor Si Primary School) will be opened for access between Wu King Road and the Siu Hei Light Rail Stop. Besides, parts of the Wu King Road carriageway (northbound) will be temporarily narrowed intermittently in stages during the period from 10am to 4pm to facilitate the works. Please refer to the location map for details.

Appropriate signs will be in place to direct road users. Some noise might be generated from some of the work activities. Proper noise mitigation measures will be adopted on site. We will closely monitor the arrangements so as to minimise potential work impacts to the community. Thank you for your understanding. For enquiries, please call our hotline at 5186 6082.
