To facilitate the construction of the Tuen Mun South Extension project, **from around 11pm on 28 November 2024 (Thursday) to 5am of the next day**, parts of the Wu King Road (northbound) carriageway will be temporarily narrowed in stages for road marking works. Please refer to the location map for details.

During the works period, proper traffic lane adjacent to the works area will be maintained and appropriate signs will be in place to direct road users. Some noise might be generated from some of the works activities. Proper noise mitigation measures will be adopted on site. We will closely monitor the arrangements so as to minimise the potential work impacts to the neighbourhood.

Thank you for your understanding. For enquiries, please call our hotline at 5186 6082.
