通告
屯門南延綫項目 – 屯門海濱花園臨時交通管理措施

為騰出空間建造屯門南延綫屯門南站出入口，屯門碼頭公廁預計於 2025 年暫時拆卸。拆卸前會於屯門海濱近屯門碼頭設置「貨櫃式」臨時公廁，並會在相關鐵路工程完成後於原址重置。

隨著臨時公廁的地下管綫接駁工程有序推展，屯門海濱花園下一階段的臨時交通管理措施預計於 2025 年 6 月 9 日起實施，屆時部分花園用地及有蓋行人通道將暫時封閉用作工程範圍，以繼續進行地下管綫工程及建造通往未來車站出入口工地的臨時工程車輛通道，而有蓋行人通道會在工程完成後重置。

工程期間，工地旁將維持適當的行人通道，現場會設置適當指示牌協助道路使用者，詳情請參考附圖。個別工序或會產生聲響，工地會採取適當的噪音緩解措施。港鐵公司及承建商會密切監察有關安排，致力減低工程對社區可能帶來的影響。

感謝你的體諒。如有查詢，歡迎致電承建商 24 小時熱綫 5186 6082 或港鐵工程熱綫 2993 3333。

Notice
Tuen Mun South Extension Project –
Temporary Traffic Management Scheme at Tuen Mun Promenade

To create space for the construction of the Tuen Mun South Station entrance, the Tuen Mun Ferry Pier Public Toilet is expected to be temporarily demolished in 2025. Prior to the demolition, a container-type temporary toilet will be provided at Tuen Mun Promenade near the Tuen Mun Ferry Pier, and the toilet will be re-provisioned at its original location after completion of relevant railway works.

With the underground utilities connection works for the temporary toilet being carried out in an orderly manner, the next stage of temporary traffic management scheme at Tuen Mun Promenade is expected to be implemented starting from 9 June 2025. Parts of the Promenade and the covered walkway will be temporarily closed as works areas for continuation of underground utilities works and creation of a temporary construction vehicle access connecting the future station entrance works site. The covered walkway will be re-provisioned after completion of works.

During the works period, proper pedestrian access adjacent to the works areas will be maintained and appropriate signs will be in place to direct road users. Please refer to the attachment for details. Some noise might be generated from some of the work activities. Proper noise mitigation measures will be adopted on site. The Corporation and the Contractor will closely monitor the arrangements so as to minimise potential work impacts to the neighbourhood.

Thank you for your understanding. For enquiries, please call our Contractor's 24-hour hotline at 5186 6082 or MTR Projects Hotline at 2993 3333.

Stay tuned for the TME Project:
