通告
屯門南延綫項目 –
湖景路、湖山路及海皇路交界凌晨臨時交通管理措施

隨著鐵路高架橋建造工程全力推展，橋身結構工程將陸續由湖山遊樂場工地延伸至湖景路，以接駁未來屯門南站。為配合在湖景路、湖山路及海皇路交界行車路上進行的吊運及安裝預製組件工序，上述道路交界將於 2026 年 9 月中旬至 2027 年期間個別凌晨分階段實施臨時交通管理措施，以減少對日間交通的影響。

首個凌晨吊運及安裝工作預計於 **2026 年 9 月 11 日凌晨約 12 時至早上約 5 時** 進行，期間上述道路交界將實施臨時交通改道，詳情請參考附圖。

工程期間，工地附近將維持適當的行車綫，現場會設置適當指示牌協助道路使用者。個別工序或會產生聲響，工程團隊會採取適當的噪音緩解措施。港鐵公司及承建商會密切監察有關安排，致力減低工程對社區可能帶來的影響。

感謝你的體諒。如有查詢，歡迎致電承建商 24 小時熱綫 5186 6082 或港鐵工程熱綫 2993 3333。

Notice
Tuen Mun South Extension Project –
Temporary Traffic Management Scheme at
the Junction of Wu King Road, Wu Shan Road and Hoi Wong Road in Early Mornings

As the construction of railway viaduct progresses in full swing, the viaduct structural works will gradually extend from the Wu Shan Recreation Playground works site towards Wu King Road to connect with the future Tuen Mun South Station. To facilitate the lifting and installation of precast segments above the carriageway at the junction of Wu King Road, Wu Shan Road and Hoi Wong Road, phased temporary traffic management schemes will be implemented at this junction during early mornings of certain days from mid-September 2026 to 2027, minimising impacts on daytime traffic.

The first overnight lifting and installation works are expected to take place **from around 12am to 5am on 11 September 2026**. Temporary traffic diversion will be implemented at the junction during the works. Please refer to the attachment for details.

During the works period, proper traffic lanes adjacent to the works areas will be maintained and appropriate signs will be in place to guide road users. Noise might be generated from some of the work activities. Please rest assured that the project team will implement proper noise mitigation measures. The Corporation and the Contractor will closely monitor the arrangements to minimise potential work impacts to the neighbourhood.

Thank you for your understanding. For enquiries, please call our Contractor's 24-hour hotline at 5186 6082 or MTR Projects Hotline at 2993 3333.

Stay tuned for the TME Project:
